Subject: Interfaith Jubilee Gathering at CUA | Saturday 28th March 2026.

Aloha Nate.

I am faithful you are doing well. This is a revised proposal from the one I shared on 14th February 2026.

Purpose / Ethic

The *Interfaith Harmony 4 the Children* initiative helps convene partners across faith and civic leadership with an independent and complementary cooperative "jubilee authentication" ethic: grounded in the Golden Rule, fiduciary trust, human dignity, and unconditional forgiveness through championing truth, reconciliation, and a joyful common-good cultural renewal. This ethic in specific laser-focuses with truth and reconciliation jubilee culture: guides all our collaborative efforts with all stakeholders: also including our ongoing cooperative peacemaking engagement connected to Minister Mahmoud Thabit Kombo and His Holiness Pope Leo XIV.

Gratitude & Context

Thank you again to the gracious independent and cooperative welcome spark you and Excellencies Lawrence, Seth, Caroline, and Sally endowed to our delegation in recognizing and honoring the World Interfaith Harmony Week: Friday 6th February 2026. The leadership gathering, campus tour, and the special

presentation of the Ethiopian manuscripts arranged by CUA made the visit especially meaningful. On behalf of our entire delegation: please accept our heartfelt gratitude.

During the leadership meeting at CUA, His Excellency Seth suggested a CUA screening of the documentary highlighting the history of Harar and Islam in the Horn of Africa in cooperation with our Council. We value this idea because it sparks our *Interfaith Harmony 4 the Children* campaign that is woven from our realtime Band Bonds 4 Change <BandBonds4Change.com> fiduciary jubilee cooperative fundraising initiative.

Proposed Event

- Event Title: Interfaith Jubilee Gathering (CUA)
- Date: Saturday 28th March 2026
- Location: The Catholic University of America (Washington, DC)
- Short proposal link <https://interfaith-jubilee-y6zx9nl.gamma.site>: <Spark4theChildren.tv>.

Why March 28 is especially meaningful

This date aligns with:

- Earth Hour (8:30 p.m.).
- Shuwal Eid <ich.unesco.org/en/RL/shuwalid-festival-01845>: also known as Shewal Eid, or "Shining Jubilee".
- Palm Sunday Eve: symbolizing stewardship, reflection, and harmony.

Flexible Program Elements (CUA-led preferences)

- Documentary screening: *Harar.*
- Short musical and/or cultural performances (optional).
- Moderated discussion and/or storytelling.
- Soft launch of the "4 the Children" <https://4-the-children-jubilee-c-pv8l7ht.gamma.site> initiative: <4TheChildren.tv>.
- Core ethical themes: unity and care for creation through fiduciary people-to-people truth and reconciliation peacemaking culture.

Campaign & Jubilee Resonance

The *4 the Children* campaign draws inspiration from the interfaith humanitarian legacy of "We Are the World" (1985)—a shared commitment to uplift children with peace and dignity. Palm Sunday Eve also resonates with the historic cooperation and service legacy associated with Saint Francis and Saint Clare: being especially meaningful during this 800th Franciscan Jubilee Year within the wider fiduciary jubilee season.

Related Cooperative Peacemaking Context (Brief)

Tanzania's Minister of Foreign Affairs and East African Cooperation Mahmoud Thabit Kombo <www.Foreign.go.tz/resources/view/tanzania-deepens-diplomatic-cooperation-with-the-holy-see> continues to be an important intermediary in East African cooperative peacemaking engagement with the Vatican. Following his 28th January 2026 meeting with His Holiness Pope Leo XIV <https://www.vaticannews.va/en/pope/news/2026-01/pope-leo-tanzania-foreign-minister-election-violence.html>, both express support for higher-level cooperative dialogue emphasizing education, health, and social unity through faithful reconciliation development that is guided with trustworthy peaceful people-to-people bond, mutual respect and human dignity. This Golden Rule alignment complements our truth and reconciliation for the children fiduciary jubilee campaign and fundraising efforts.

Request / Next Step

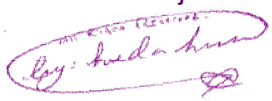
If CUA is open to this gathering, we would be grateful to:

1. Confirm CUA's preferred venue and time bloc.
2. Confirm whether *Harar - The Forgotten Islamic City* <https://www.youtube.com/watch?v=7QzukX-5wZ0> documentary screening is desired. And,
3. Coordinate a brief planning zoom to align program flow, moderation, and partners.

Thank you again, Nate. I look forward to your thoughts and would be honored to align our shared interfaith harmony: rooted in Lent and Ramadan's Golden Rule cooperative jubilee values at CUA on the 28th March 2026.

So be one love Golden Rule unity authentication seal: I am.

In the merciful God jubilee remedy authority,



By: Huda Hassen Durri: Boqorad.
